# The Amphitheatre Rink

JOHN L. PETERSEN  
Manager

Was first erected as a Horse Show building, but shortly afterwards made into a rink, with the installation of the first artificial plant in Western Canada. For years some of the finest hockey games have been played, and the rink has been the scene of many Western Canada and Dominion Playoffs.

Historical and memorable events have been held, including the bands of Sousa and the British Grenadiers, concerts of Galli Curci and of Nelson Eddy, political conventions, etc.

For eleven years Lester Patrick, head of the celebrated New York Rangers, has held a hockey training school here where the young stars are given the opportunity to win advancement into the National League.

All through the Summer season many events are held, such as the outstanding Shrine Circus, the Kiwanis Shows for welfare service, dog shows, boxing, lacrosse, etc.

The new Manager is John L. Petersen, who is also Manager of the Osborne Stadium. He will be in charge of the Olympic Rink as well. No one is better known to the sport fans of Greater Winnipeg.

## The Premier of Manitoba Says:

"The work of a nation bears a direct relation to its play. In sport, organized or otherwise, there is offered that physical and mental release, diversion and tolerance, which must characterize the life of a healthy people. Those individuals who are skeptical of this fact in time of war, need only recall that this same attitude prevailed in England during the long months of danger and strain.

"To the public-spirited citizens in our midst who have had the foresight and the courage of conviction to persevere with sport in the face of the inevitable restrictions and handicaps, we owe our gratitude. Co-operation now with military personnel gives added significance to their efforts.

"For the coming season I extend my felicitations and good wishes."

## Our Mayor

Garnet Coulter was elected Mayor of the City of Winnipeg for the year commencing January, 1st, 1943. He is a veteran of the City Council, having served for many years as an alderman for Ward Two, and was previous for some time a member of the School Board.

Mayor Coulter has always been very keenly interested in sport and athletic activities and is also a very enthusiastic huntsman.

The good wishes for a successful season to the members of the hockey leagues are very cordially extended by His Worship.

## Mayor George C. MacLean

For a number of years the Mayor of the City of St. Boniface has been Lieut.-Col. George C. MacLean.

In the last war he joined up as a private with the famed 90th and received his commission of Lieutenant with them. He then joined the 108th under Col. George H. Bradbury and went overseas with them. When the Battalion was broken up he transferred to the Army Service Corps where he received the rank of Lieut.-Colonel. He had the honor to be twice mentioned in despatches for valuable service.

Mayor MacLean is a very ardent sportsman and is a consistent attendant at all games.

C.C.M.

Up in the battle front of "big time" hockey, skating equipment gets the "acid" test. Fast skating, instant turns, collisions, spills and immediate stops impose terrific strains on skates and shoes.

The failure of a skate or shoe may lose the game, even the pennant, so championship players stick to C.C.M. skate and shoe "Matched Sets" and take no chances.

Montreal Canadiens won the "Stanley" Cup on C.C.M.'s (all players). Quebec Aces won the "Allan" Cup on C.C.M.'s (all players). Oshawa Generals won the "Memorial" Cup on C.C.M.'s (all players).

Canadian Press, year 1944 "All Stars" Hockey teams—all players on first and second teams used C.C.M.'s.

And so goes the story of Amateur and Professional Hockey—actual check shows 95% of the players use C.C.M.'s.

In selecting hockey equipment for yourself or others be guided by the preference of champions everywhere and choose C.C.M. "Matched Sets". Be sure to find the C.C.M. winged tag of identification which is attached to every genuine C.C.M. "Matched Set".

C.C.M. Laminated Hockey Sticks are the popular choice of Professional and Amateur Players in United States and Canada.

## Commander G. E. Kernohan

Commander of H.M.C.S. Chippawa since March, Commander Kernohan was formerly on loan to the Royal Navy for a period of two years, serving on the high seas during that time. The Commander was in London during the heaviest of the "Blitz" raids by the Luftwaffe. Since returning to Canada he has been in Command of an Eastern Division of the R.C.N.V.R. prior to his appointment to Command H. M. C. S. Chippawa.

Brigadier R. A. MACFARLANE, D.S.O., district officer commanding, M.D. 10, saw extensive service in the Great War and rose from the ranks to the command of his own battalion in the field. Enlisting as a private in September, 1914, he was commissioned in the field in the 58th Canadian Infantry Battalion and was appointed Lieutenant-Colonel in command of that unit in 1917. Wounded at the Somme and at Vimy Ridge, he won the Distinguished Service Order and two bars, the French Croix de Guerre and was mentioned five times in despatches. On demobilization Lieut.-Col. Macfarlane joined the Ford Motor Company of Canada, Ltd., in 1919, and after holding several appointments was made general sales manager for the Company in Australia. He spent from 1924 until 1928 in Australia and New Zealand for his firm. In recent years Brig. Macfarlane has headed his own company of importers and exporters, R. A. Macfarlane and Co., in Toronto.

## A-V-M K. M. Guthrie AOC No. 2 T.C.

Air Vice Marshall K. M. Guthrie, air officer commanding, No. 2 Training Command, Winnipeg, belongs to that little band of men who have grown up with the R.C.A.F. and around whom the R.C.A.F. has developed from a small peacetime force to the fourth largest air force in the world.

His regimental number, C-34 marks him as one of the earliest members of the R.C.A.F. His own flying career dates further back. He was a member of the Royal Flying Corps in the last war, joined the R.A.F. as a ferry pilot and served with it until January, 1919.

Before coming to Winnipeg early this summer he was deputy air member for Air Staff in charge of Plans at Air Force Headquarters.

## Frank J. Hannibal

Frank J. Hannibal, manager of the Canada Bread Company, is undoubtedly one of Western Canada's best known and most popular sportsmen.

Mr. Hannibal first became prominent in sport as President of the Senior Diamond Ball League, the first of his many executive offices in sport. Five years later, he had the distinction and honor of piloting the Winnipeg Rugby Football Club, the Blue Bombers, who brought to the West its first Dominion Championship and the coveted Grey Cup. He did such a good job that he was unanimously re-elected president the following year. During this time he served as president of the Western Canada Inter-Provincial Rugby union. Just recently, Frank, along with "Baldy" Northcott, was responsible for giving Winnipeg fans their first view of East-West Collegiate Rugby, when they brought St. Michael's College of Toronto here to play St. John's and St. Paul's Colleges, which was a great boost for the game. In addition to these signal honors he is president of the Manitoba Amateur Hockey Association, now starting his third term in that office.

## Abbie Coo

Abbie Coo, a past president of the Manitoba Amateur Hockey Association attended his first hockey game in Winnipeg in 1904 and has been a close follower of the game ever since. For many years he covered hockey as sporting editor of the old Winnipeg Telegram. In 1918, shortly after his return from overseas, he was elected a member of the hockey association executive and has been in office ever since. He was president for seven years and with Wm. Noble, another veteran, has been senior convener for the past few years. Mr. Coo started his hockey career as president of the old Winnipeg and district Intermediate League and was also secretary of the Manitoba Senior League when Selkirk and Falcon teams were holding forth. Abbie played a little commercial hockey in Fort William, Winnipeg and Brandon in his youthful days.

Also a sprinter in his youth, he has been national chairman of the track and field committee of the Canadian Amateur union. He was manager of Canada's track team at the Berlin Olympics and associate manager at Los Angeles in 1932. He was also prominent in lacrosse and is a past president of the Canadian Amateur Lacrosse association and an honorary life member. He has been president of the Manitoba branch of the amateur union and the Winnipeg and Manitoba Lacrosse associations as well as a former vice-president of the Manitoba Rugby union.

He is at present president of the Athletic Patriotic association which has supplied many thousands of dollars worth of sports equipment to the armed forces in Manitoba since the outbreak of the war.

## E. A. "Eddie" Armstrong

E. A. "Eddie" Armstrong, former sports editor of the Free Press and now its Day News editor, and who is the secretary of the Manitoba Amateur Hockey association, needs no introduction to sport fans in this part of the world.

Eddie has enjoyed an enviable record not only as a newspaper man but for the manner in which he has worked for sport. From the time he attended Wesley College in Winnipeg, until the present moment, he has been actively interested in athletics. He is rightly regarded as one of the outstanding authorities on sport of every kind, and ranks high in the esteem and respect of a host of friends in every walk of life.

**PARKS**—Visit the many beautiful Parks that afford open air spaces and recreation grounds so easily accessible. Assiniboine, the largest, has a fine zoo which the children will enjoy and a Conservatory with a wealth of bloom at all seasons of the year. Kildonan, on the quiet banks of the Red River, with its stately old trees and historic memories will give you a day of rare enjoyment. And don't forget your neighbourhood spots where you may spend many restful hours.

**PLAYGROUNDS**—Four playgrounds of a new type for children are now in operation during the summer, viz: "Victory" on Hargrave, "Roosevelt" on Elgin, "Machray" on Anderson and "Earl Grey" on Dudley. It is intended to continue this work in congested areas until all sections are served.

**GOLF COURSES**—Keep fit and enjoy playing at Kildonan and Windsor, two of the most beautiful courses in the west. Green fees only 50 cents.

**SWIM FOR HEALTH**—At the municipal pools at Sherbrook, Pritchard and in the open air at Sargent Park. Armed Forces are permitted to use the pools free of charge when attending in units at certain hours.

## Art Somers

Art, who is coaching the Canadian Army entry in the Inter-Services Hockey League for the second year in succession, has had a long and highly creditable career in the game. A glance at his record shows considerable travel and success. Born in Winnipeg, he first of all played for the Junior Falcons in 1921 when they won the Dominion Junior titles. The following year he, with the entire Junior Falcons, went over to the Winnipeg Victorias. In 1923 he was on the Falcon team that after going through the season undefeated, lost 6 to 2 to Souris in a sudden death game for the Manitoba title. He then played for Fort William for a year. Returning to Winnipeg he turned professional, playing for the Winnipeg Maroons. From there he went to Vancouver for a year, then to the Chicago Black Hawks for 2 seasons. He was then with the New York Rangers for 4 years before retiring. Then he became a highly successful coach, his assignments being, Prince Albert, 2 years; Moose Jaw, 5 years; and Victoria, 1 year. Last season he was the brains behind the Canadian Army team that won the Baker Memorial trophy.

## "Baldy" Northcott

"Baldy" Northcott, coach of the H.M.C.S. Chippawa, the Navy entry in the Inter-Services Hockey League, has had a distinguished career in hockey. Born in Calgary, Baldy, strange as it may seem, played all his hockey in the East.

He played for Brantford in the O.H.A. Junior League in 1926-27. Then for Haileybury in the Northern Ontario League. From there he jumped right into the big-time, playing for the Montreal Maroons for ten seasons and for the Chicago Black Hawks one. In his eleven years in the N.H.L. he scored 114 goals and had 106 assists for a total of 220 points. He was 6 times in the Stanley Cup playoffs and in 1932-33 was selected on the All Star team at left wing.

Retiring from active participation in the game at the close of the 1938-39 season he took up coaching with a great deal of success. He master minded the Winnipeg Rangers when they won the Dominion Junior championship in 1941 and was with the club when they again won Dominion honors in 1943.

## Squadron Leader Cockburn

Bill has been coaching Airforce teams for the last three years, this being his fourth. Bill, who was born in Winnipeg, was a goal keeper. He first came into prominence when he guarded the nets for the Grain Exchange team in the "Big 4" in the season of 1928-29. The following season he cast his lot with the Winnipeggers, who were in a senior league with Elmwood and the Native Sons.

The following year his club won the Allan Cup and went on to win the Olympic hockey championship at Lake Placid, N.Y. Here they met with unexpected opposition being fully extended, for after winning their first game with the Americans, they tied the second and crucial game with the United States, 2 all, to win the title.

After hanging up his goal pads and stick, Bill became interested in that great organization, the Panthers, helping in the coaching job.

He is the hockey authority at the No. 2 Command Headquarters of the R.C.A.F. and has done a successful job.

## George Jones

Mr. Jones, who was recently appointed convenor of the Junior South Division Hockey League is a real westerner, having been born at Carman, Manitoba. He moved to Portage la Prairie in 1931, and almost immediately took an active interest in hockey. On the revival of the game in that city in 1934, George became President of the Portage Terriers, a position he still holds. It was under his guidance that the Terriers realized their greatest ambition, for in the spring of 1942, that club, who for years had been knocking at the door in an effort to enter the sacred precincts of the Hall of Fame, won the Dominion Junior Hockey Championship. This they did in a clean-cut and decisive fashion.

George brings to his new office a fund of experience which will make him a valuable adjunct and asset to the game in this Province. He is now a resident of Norwood.

## Arthur Morrison

Over a period of thirty-eight years, since his arrival in Winnipeg, Arthur has held almost every secretarial position there is in the world of sport; but it is believed by those who know him best, that there is nothing that appeals to him more than the two he occupies right now—that is being secretary of the Athletic Patriotic Association, and the Sport's Council of the Armed Services; to both of which, he has devoted considerable time and energy.

When the hockey season rolled around this fall, it marked the start of the thirty-third year that Arthur has been timing hockey games. He has handled the "Watch" at every major sporting event, Track and Field, Rugby, Lacrosse, Basket Ball and Boxing; in connection with the latter, he has "Rung the Gong" on such men as Freddie Welsh, Mike and Tommy Gibbons, as well as Jack Dempsey.

He is fast becoming a veteran of the "Air Waves", having started his eighth year with C.K.R.C. as a sports commentator. His daily "News and Views in the World of Sport" being familiar to many.

## Colonel Jack C. Hodgson

A sincere sports enthusiast, Colonel Jack C. Hodgson, Air Corps, Commanding Officer, U.S. Army Forces, Central Canada, has fostered sports participation not only among the Winnipeg Headquarters personnel but throughout his entire Arctic-bound Command. By this and his many other interests he has done much to further the friendly relations existing between Canada and the United States.

Colonel Hodgson, who entered the Army in 1916 and served in France and Germany in the last war, came to Winnipeg last February after serving as a member of the War Department General Staff and as Military Air Attache in Italy at the outbreak of this war.

## Lieut. "Fritzy" Hanson

Lieutenant Melvin Lester (Fritz) Hanson was appointed district sports officer for Military District No. 10 last August. Famous with the Winnipeg Blue Bombers for many seasons, Hanson—known by such names as The Galloping Ghost and Twinkletoes—was the speedball of the famous Winnipeg football club. His weaving and swerving, his change of pace and elusive style of covering a gridiron was famous throughout Canada.

Enlisting in July, 1942, he was commissioned soon after. He was stationed as an instructor at the Canadian Battle Drill Training School for six months before taking over the duties as sports officer in the military district. He is with the Winnipeg Light Infantry.

Hanson played football this season with the Army team and is also a speedy and heady member of the Army basketball team. Thirty-two years of age, he is married. His wife, Maxine, and 6-months-old child reside at 135 Middlegate, Winnipeg.

## Squadron Leader F. E. "Buff" Horton

Tabbed by Western sports writers as one of the most successful sports promoters ever to hit Winnipeg, Squadron Leader F. E. "Buff" Horton, Toronto, P.T. and Drill Officer for No. 2 Training Command, R.C.A.F., has conducted 17 Command championships in all sports since he arrived in Winnipeg last spring.

Basketball, softball, baseball and squash are the chief sports activities of No. 2 Training Command's genial sports officer. Recently he organized a boxing show at Winnipeg Auditorium, one of the most successful ever staged here. In addition he was one of the key men in the organization of the Inter Service Rugby Football League, the Inter Service Hockey League and the Inter Service Basketball League. He is also a member of the Inter Service Sports Council.

Joining the service in 1941, he was one of the chief organizers of sport at Canada's huge permanent force air station at Trenton, Ont. In civilian life he was well known in Eastern sport circles. His sports logs record of coach and manager of Toronto Earl Greys when they won the Dominion Intermediate Basketball championships. He was also coach of several Junior League teams which played basketball and football. Squadron Leader Horton has also had considerable experience as an official in Eastern Football and Basketball.

## Jack Wells - Sports Director, CKRC

"And a Good Good evening sport fans, this is Jack Wells inviting you to another session around the old cracker barrel". This is the greeting heard nightly over CKRC, Monday through Friday, at 11.10 and brings to the radio public a breezy report on the latest in the sport world.

Jack arrived on the Winnipeg sport scene three years ago and since that time has made many friends in Manitoba. His running commentaries on baseball, hockey and football from Osborne Stadium and the Amphitheatre rink have been sporting hi-lights in the average Manitoba home.

Among the national assignments Jack has handled are the Allan Cup finals on three occasions, and the Dominion Football finals from Toronto in 1941 and 1942. He has also appeared as guest commentator on the Hot Stove League.

While Jack is heard on many other programs from CKRC his first love is sport broadcasting. Recently he has taken on the additional duties as night supervisor.

It looks as if he's here to stay. He married a Winnipeg girl two years ago, and as Jack puts it, "I like Winnipeg". We might add that Winnipeg likes him to . . .

## Jimmy Dunn

Jimmy Dunn is one of Winnipeg's best known sportsmen, he is the 2nd Vice-President of the Manitoba Hockey Association and is the convener of Junior Hockey for the Province.

In the summer, he presides over the affairs of the Greater Winnipeg Senior Baseball League and the Senior Girls' Softball League. In addition, he is a well-known figure at the Osborne Stadium, where he times all rugby games; and at the Olympic Rink, where he handles the clock at all hockey games played there.

## Rupert Whitehead

Three years ago a young man tacked upon the walls of five outdoor skating rinks in Greater Winnipeg, posters bearing the message that figure skating lessons would be available to the general public.

From a very meagre beginning, Rupert Whitehead soon found the number of skaters interested in this graceful sport grow to such an extent that it was necessary for him to increase his facilities, and this year to appoint an assistant.

Two very successful carnivals have been staged and Whitehead and his pupils are highly gratified that they have been the means of donating to a War Charity substantial sums from both these carnivals in the form of the net proceeds.

The rapidity with which figure skating has developed amongst the general public of Greater Winnipeg indicates that there is a strong possibility that Winnipeg, in the not too distant future, will become the figure skating centre of Canada.

## BY THE CITIZENS . . . FOR THE CITIZENS

The exceptionally low electric rates introduced into Winnipeg by City Hydro have been directly responsible for saving the citizens millions of dollars. At the same time, industrial progress has been stimulated, the standard of living raised, and from its surpluses this utility has contributed over \$1,700,000 to help balance the City's Budgets.
